**By Baldesa Castiglione : Book of the Courtier (Wordsworth Classics of World Literature)** with tens of thousands of poems by thousands of authors bartleby offers one of the largest and oldest free full text collections of verse on the web harold blooms list of the great books from the western canon Book of the Courtier (Wordsworth

Classics of World Literature):

3 of 3 review helpful Genteel Manners and Military Virtue By David The Book of the Courtier is engaging witty light on its feet yet deep Singleton's translation is very faithful and readable and exudes the spirit of the original The book takes the form of a dialogue set at the court of Urbino in 1506 or 1507 and carried out over the course of four consecutive evenings thus it consists of four books ea This text is a historical record of conversational leisure at a Renaissance Italian court a manual of instruction for aspiring courtiers and a handbook From it spring the behaviour manuals which continue to reveal the ways of arriviste from social climber to young business executive Language Notes Text English translation Original Language Italian From the Publisher Founded in 1906 by J M Dent the Everyman Library has always tried to make the best books ever written available to the greatest nu
