7 of 12 review helpful Useless conglomeration of facts from the internet By Skye Hye This is one of those books quickly written in hodge podge style compiled from various blogs on the internet just to make quick money There is absolutely nothing new in it The title is designed to get people to think the source is someone like the famed Mrs Beeton Who is Her Ladyship Why choose that pretentious and misleading titl Ever wondered how to fit the ironing into an already overcrowded schedule Or how to deal with houseguests whose political opinions you abhor In this charming book ldquo Her Ladyship rdquo provides the answers to these and other pressing domestic questions In her trademark lightly humorous but always elegant style she addresses such issues as day to day housekeeping and routines managing ldquo staff rdquo cleaners au pairs gardeners effectively and grac About the Author Caroline Taggart is an experienced editor and the author of Her Ladyship s Guide to the Art of Conversation Batsford I Used to Know That Reader s Digest The Book of English Place Names Ebury Press and The Boo
