By Virgil : Virgil: Aeneid VII-XII (Latin Texts) (Bks. 7-12) 353 appendix 1 the only master of this kind of

observation hitherto has been marcel griaule d 1956 but he left an impressive cohort of disciples even more account options sign in; search settings Virgil: Aeneid VII-XII (Latin Texts) (Bks. 7-12):

1 of 1 review helpful Excellent academic commentary By Kathy An excellent academic commentary very full and with good references to other commentators Suitable in the UK for A level students and above Suitable in the US for graduate students and above The only tiny flaw and this just from the point of view of convenience of students is that there is no vocabulary list and the commentary is at the end so you This is the second volume of R Deryck Williams classic edition of the Aeneid covering books VII and XII It includes the Latin text with English introduction an extensive commentary and notes by this renowned Virgilian scholar Designed for upper school and university students the commentary interprets the poetic methods and intentions of the Aeneid and explains not only what Virgil says but how he says it and why he says it in the particular About the Author R Deryck Williams was Professor of Classics at the University of Reading UK and a leading scholar of Virgil he published numerous articles and commentaries on his work
