1 of 1 review helpful Good basic primer By Anne Marie Borbely Bartis If you're traveling on business or holiday this

actually isn't a bad idea. The southern portion of South America is much much different culturally from Mexico or Venezuela or Brazil. Lovely people just learn a bit before you go. A few more pages dedicated to a brief English Spanish dictionary would have been extremely helpful. 7 of 8 review helpful Culture Smart provides essential information on attitudes, beliefs and behavior in different countries ensuring that you arrive at your destination aware of basic manners, common courtesies and sensitive issues. These concise guides tell you what to expect, how to behave and how to establish a rapport with your hosts. This inside knowledge will enable you to steer clear of embarrassing gaffes and mistakes, feel confident in unfamiliar situations and develop true confidence. Culture Smart has come to the rescue of hapless travellers. — Sunday Times Travel
