3 of 3 review helpful SANSKRIT FLASHCARDS FILLED WITH SO MUCH PRICELESS INFORMATION
THANK YOU By DLB These cards are brilliant I ve been reading ancient Vedic texts for the past 15 years via English transliteration and English translation I knew enough about Devanagari to write a few words but that s it This

year I started chanting the Suryashtakam every morning and thought it's about time I learn to read the 108 Sanskrit Flash Cards. These flashcards have been designed for those who want to correctly read, pronounce and alphabetize letters and words in the Devanagari script of Sanskrit. The ability to read the original script is essential for correct pronunciation. There are 108 colored flashcards and 6 cream cards that surround them containing reference information. Card Features: All cards show the Devanagari on the front and transliteration on the back without doubt. It should be in the yoga library of every teacher and serious student. Yoga Journal February 2005 issue. About the Author: Nicolai Bachman MA MS has been teaching Sanskrit and related topics.
