2 of 2 review helpful Great for SAT comprehension help By Megan Anne Fitzsimmons I really like these I m a reading specialist and am using these for SAT prep tutoring and this is a great way to start Teaching students how to break apart words they don t know is WAY more useful than trying to bombard them with vocabulary lists It s the tools for a lifetime of better comprehension as opposed to a set list with no explanat These Latin and Greek root cards are designed for those high school students using English from the Roots Up who have less time than enthusiasm Just like the ones found in the book Recommended by Laura Berquist Syllabus Grade 3 Kolbe Academy Grade 3Author Jeanne LundquistGrade 2 12Publisher Literacy Unlimited PublicationsISBN 1 885942 13 3
