2 of 2 review helpful I liked that the book was very straight forward and wasn't By Kathryn I liked that the book was

very straight forward and wasn't filled with useless information like some review books. However, the practice test was not as thorough as I thought it needed to be, and there were several typos in the answer section. While grading my test, I realized I had actually gotten correct several of my missed questions. Think all GACE Early Childhood Education study guides are the same. Think again. With easy-to-understand lessons and practice test questions designed to maximize your score, you'll be ready. You don't want to waste time and money retaking an exam. You want to accelerate your education, not miss opportunities for starting your future career. Every year, thousands of people think that they are ready for the GACE Early Childhood Education test but realize too late when
