4 of 4 review helpful Needs edited more thoroughly for errors By Equity Investor I think this product is a lot like similar products in that it has a lot of exam type questions with the answers and explanations My reason for rating it as 3 stars is simply the number of errors and typos in the book For example one question has the same answer for II and

IV Which leaves none of the 4 answers correct Another question The best way to prepare for any exam is to practice but only if the practice questions are worthwhile You don t want to waste time and money retaking an exam You want to accelerate your education not miss opportunities for starting your future career Every year thousands of people think that they are ready for the Series 7 test but realize too late when they get their score back that they were not ready at all There are a variety of methods to prepare for the
