From Peter Lang AG, Internationaler Verlag der Wissenschaften : Translation Peripheries: Paratextual Elements in Translation Translation Peripheries: Paratextual Elements in Translation:

This book investigates different elements which have direct implications for translations but are not the actual text

These features are usually presented in a particular format — written, oral, digital, audio, visual or musical. They are furnished with, for example, illustrations, prologues, introductions, indexes or appendices, or are accompanied by an ensemble of information outside the text, such as an interview with the author, a general or specialist press review, About the Author, Anna Gil Bardají, a lecture at the Department of Translation and Interpreting at Universitat Autònoma de Barcelona, Spain. As experts in translation of many genres such as poetry, films and documents.
