**From Frank & Timme GmbH : To Know How to Suggest ... Approaches to Teaching Conference Interpreting**  
measuring and evaluating teaching defining and measuring effective teaching effective teaching can be defined very simply as activities that promote student learning get information facts and pictures about china at encyclopedia make research projects and school reports about china easy with credible articles from our free To Know How to Suggest ...

## Approaches to Teaching Conference Interpreting:

1 of 1 review helpful Excellent collection of papers on conference interpretation By Kirill Flerov Excellent collection of papers on conference interpretation Highly recommended to instructors I d obviously not agree with everything e g flexible EVS is more a procedural goal than a strategy but overall an excellent book The importance of didactic training in conference interpreting has become the subject of increased discussion This collective volume provides overviews of theories and examples of training practices and tools for a didactic approach to the development of interpreting competence This book is geared towards new institutions offering interpreter training teachers just starting out in conference interpreter training and who lack experience as well as experienced interpreters
