By Edward C. Dimock Jr., Somdev Bhattacharji, Suhas Chatterjee : Introduction to Bengali, Part 1: A Basic Course in Spoken Bengali, with Emphasis Upon Speaking and Understanding the Language (Asian Language Series) (Pt. 1) (English and Bengali Edition) Introduction to Bengali, Part 1: A Basic Course in Spoken Bengali, with Emphasis Upon Speaking and Understanding the Language (Asian Language Series) (Pt. 1) (English and Bengali Edition):

2 of 2 review helpful Old method but rigorous and efficient By R The format of the book is a bit old fashioned but very tidy The methodology is very robust The first part dedicated to pronunciation is particular useful The book will not use Bangla script until you reach lesson 8 in the middle of the book However the Bangla script used in the book is not really very clear especially for beginners I downloaded the a A basic course in spoken Bengali with emphasis upon

speaking and understanding the language This seeks to present a basic course in spoken Bengali Emphasis in the book is upon speaking and understanding the language without neglecting its structure The approach is a compromise between purely structural and purely cultural orientation Course divided into seventeen lessons
