Penrice : A Dictionary and Glossary of the Koran comprehensive quran search search in multiple languages english yusuf ali english picktall english mohammad asad turkish malay french spanish caliphate definition the rank jurisdiction or government of a caliph see more A Dictionary and Glossary of the Koran:

19 of 19 review helpful Excellent for Students of Classical Arabic By C King Khidr An excellent resource for those interested in translating passages from the Koran To my knowledge the meaning of every Koranic word is found here Using Penrice s work is certainly more convenient than going through Hans Wehr which does not always provide the classical meaning of words Lane s Lexicon is obviously a better source but sinc This helpful guide permits everyone to understand the Koran It lists each word under its verbal root grouping words without roots alphabetically and providing numerous explanations of the text It assists beginners in mastering some inevitable difficulties and helps more advanced readers of Arabic to resolve problems
