0 of 0 review helpful Grave doubts about this but still recommended By J M Brown There are lots of books and

experts on the Rongo Rongo inscriptions. They can ALL be summed up in one line. Nobody knows nuthin. Oh there is some agreement on some many points but no one really KNOWS. Ms. De Laat is proposing an original decipherment that is at great variance with all other proposals. She is makin' Two dozen or so wooden tablets discovered on Easter Island late in the nineteenth century are all that remain of rongorongo mdash a series of glyphs thought to be the writing system of the island. 's lost people. In Words Out of Wood M. de Laat explores the construction and use of these enigmatic figures and makes a compelling case that rongorongo despite its resistance to decipherment constitutes nothing less than a full About the Author.
