benjamins translation library the spread of ideas in translation theory stephen kellert defines chaos theory as the there is a very strong sense in literature about chaos that a new the revised oxford translation Memes of Translation: The spread of ideas in translation theory. **Revised edition** (Benjamins Translation Library):

This revised edition of Memes of Translation includes updates that relate the book's themes to more recent research in Translation Studies. The book contributes to the debate about whether it is worth seeking a coherent theory of translation by proposing an approach based on norms, strategies and values which are all seen as kinds of memes, i.e. ideas that spread. The meme metaphor allows us to see translation in the context of cultural evolution and also highlights
