From John Benjamins Publishing Company : Reembedding Translation Process Research (Benjamins Translation Library) Reembedding Translation Process Research (Benjamins Translation Library):

Reembedding Translation Process Research is a rich collection of empirical research papers investigating important new facets of the relationship between translation and cognition. The common thread running through the collection is the notion of ldquo re embedding rdquo the acts of translating and interpreting and the ways we understand them. That is, they all aim to re situate these acts within what we now know about the brain the powerful relationship of b
