other disciplines yves gambier; luc van doorslaer; for decades translation studies has been Border Crossings: Translation Studies and other disciplines (Benjamins Translation Library):

For decades Translation Studies has been perceived not merely as a discipline but rather as an interdiscipline a trans disciplinary field operating across a number of boundaries This has implied and still implies a considerable amount of interaction with other disciplines There is often much more awareness of and attention to translation and Translation Studies than many translation scholars are aware of This volume crosses the boundaries to other disciplines and ex
