By Brigid Maher : Recreation and Style: Translating humorous literature in Italian and English (Benjamins Translation Library) Recreation and Style: Translating humorous literature in Italian and English (Benjamins

Translation Library):

This volume explores the translation of literary and humorous style including comedy irony satire parody and the grotesque from Italian to English and vice versa. The innovative and interdisciplinary theoretical approach places the focus on creativity and playful rewriting as central to the translation of humour. Analysing translations of works by Rosa Cappiello, Dario Fo, Will Self and Anthony Burgess, the author explores literary translation as a form of exchange.
