5 of 6 review helpful Mumtaaz ma shaa Allah What a great resource to learn Egyptian Dialect By zach Regardless of

what the other reviews have said I consider this to be one of the finest book series for learning the Egyptian Dialect on the market I have studied Arabic for 6 years starting off with the Al kitaab series in High School and now am studying abroad and learning Egyptian There are no other book like this one Drawing on her years of experience as an Arabic instructor and course developer Samia Louis has used a functional approach to create a bright innovative set of coursebooks for the study of Egyptian colloquial Arabic the spoken dialect most frequently studied and most widely understood in the Arab world Now three new books for beginner early advanced and higher advanced students have been added to the series Designed according to the ACTFL guidelines for teaching The books in the Kallimni Arabi series altogether present the best Arabic textbooks available miles ahead of most others David Wilmsen American University of Beirut About the Author Samia Louis
